Good afternoon Maddy:

I am just checking in to see if you have any further insight into the Administrator's schedule. Do you think we will have an opportunity to get onto the Administrator's calendar? If so, is there a particular time frame that would be convenient?

Thank you,

Subject: Meeting Request - Rosebud Mining Company

Ms. Morris: Good morning, I am General Counsel of Rosebud Mining Company. Rosebud is an underground coal mining company, with operations in Pennsylvania and Ohio. We employ about 750 people and have 20 mines across those 2 states. As an underground coal operator, we often face issues relating to the EPA's regulatory oversight of the coal industry. We would appreciate an opportunity to talk with the Administrator and his staff about some of those issues. We believe an open dialogue could be productive to both parties. In such a dialogue, Rosebud would be able to

offer on the ground insight that the EPA may not otherwise have, and at the same time, the EPA could offer real time feedback about issues that are important to it.

If the Administrator has the time and willingness to meet, Rosebud is generally available for a meeting after July 10th and during the month of August. Our CEO, Cliff Forrest, is interested in attending the meeting, as is our Manager of Permitting (John St. Clair) and Manager of Engineering/Land (Rob Higbee). I too would appreciate the opportunity to attend the meeting.

We have a ready outline of some of Rosebud's issues, concerns, and ideas. Please let me know if you'd like me to forward that outline. We thought the outline could lead to a more efficient discussion, but did not want to forward it without your approval.

Thank you in advance for your consideration.

External Meeting Request Form for Administrator E. Scott Pruitt

U.S. Environmental Protection Agency

To request the Administrator to attend and/or speak at your event, please complete and submit the following form.

Today's Date: August 11, 2017

Meeting Date: Thursday, November 9, 2017

Meeting Time: 8 a.m. – 8:00 p.m. (Speaking slots are 8 a.m., 1 p.m., and 7 p.m.; latter is ideal)

Requested Location (if offsite, please list address, parking instructions, etc.): J.W. Marriott Hotel, 5150 Westheimer Rd, Houston, Texas 77056

Requestor: The Heartland Institute (President: Tim Huelskamp; CEO: Joseph Bast; Communications Director and contact: Jim Lakely)

Purpose of the Meeting: To offer remarks on Administrator Pruitt's agenda at the Environmental Protection Agency, actions of first term (especially how it relates to EPA giving more power back to the states), and overall relation to President Trump's America First Energy Plan.

Background on the Meeting: This meeting will outline President Trump's America First Energy Plan, highlight its strengths, and build public support and legislative momentum for its implementation. The Heartland Institute is internationally known for putting on 12 outstanding International Conferences on Climate Change, which have attracted thousands of scientific and layman skeptics that human activity is causing a global climate crisis. This conference will also have a handful out of 12 panels that discuss the latest climate science from a skeptic perspective.

Role of the Administrator: Deliver a keynote address of 30 – 45 minutes. Q&A from audience is at discretion and approval of Administrator Pruitt.

Attendees: We expect between 300 and 400 attendees consisting of energy industry leaders, climate scientists, oil and gas energy professionals, economists, staffers and scholars from many state and national conservative think tanks, state legislators, interested members of the public, and media.

Point of Contact: Jim Lakely, director of communications, The Heartland Institute. Cell phone: **Ex. 6**

Subject: Re: Speaking Request for Admin. Pruitt

Maddy,

Thanks for the follow-up and the update on Michelle and Sydney. Please pass along my regards and hope for their success back in Oklahoma.

I will fill out this form and submit it on Friday. I'm currently on vacation with family, but want to make sure to turn this around for you and Administrator Pruitt as quickly as possible.

FYI: While my original inquiry to Michelle and Sydney was for Mr. Pruitt to speak at Heartland's 33rd Anniversary Benefit Dinner "sometime in September or October," we've canceled that event and are instead hosting what Heartland is calling the America First Energy Conference on Thursday, November 9, 2017 in Houston, Texas.

The conference's purpose, as the name suggests, is to promote the Trump administration's excellent agenda on that topic – one that abandons the dead-end "green energy" push of the Obama years. Especially because the president wants to make America a global power again in energy production, we selected the hub of our energy sector in Houston as the conference city.

We expect an audience of several hundred – as well as a healthy contingent of media – and we've reserved one of our three plenary keynotes for Administrator Pruitt (his choice of, roughly, 8 a.m, noon, or 7 p.m.). I'd be happy to share our *very* rough draft of the schedule with you, as well as the form you've sent, if that helps. The website we've created for our conference is AmericaFirstEnergy.org. It's officially "live," but will not be announced to the public for about another week. It contains the broadest of outlines of our plans, and gives an indication of how it will be promoted.

Thanks, again, for reaching out, and I look forward to future communications.

I wanted to give you a heads up regarding the Wednesday Meeting this week. Grover now has to be in Ohio on Wednesday. Tim Jones, who runs our Missouri center right meeting will be chairing the meeting tomorrow.

As far as we are concerned the Administrator is still welcome. (The meeting goes ahead as normal with or without Grover) But I did want to give you this info.

Subject: Meeting Request - Rosebud Mining Company

Ms. Morris: Good morning, I am General Counsel of Rosebud Mining Company. Rosebud is an underground coal mining company, with operations in Pennsylvania and Ohio. We employ about 750 people and have 20 mines across those 2 states. As an underground coal operator, we often face issues relating to the EPA's regulatory oversight of the coal industry. We would appreciate an opportunity to talk with the Administrator and his staff about some of those issues. We believe an open dialogue could be productive to both parties. In such a dialogue, Rosebud would be able to offer on the ground insight that the EPA may not otherwise have, and at the same time, the EPA could offer real time feedback about issues that are important to it.

If the Administrator has the time and willingness to meet, Rosebud is generally available for a meeting after July 10th and during the month of August. Our CEO, Cliff Forrest, is interested in attending the meeting, as is our Manager of Permitting (John St. Clair) and Manager of Engineering/Land (Rob Higbee). I too would appreciate the opportunity to attend the meeting.

We have a ready outline of some of Rosebud's issues, concerns, and ideas. Please let me know if you'd like me to forward that outline. We thought the outline could lead to a more efficient discussion, but did not want to forward it without your approval.

Thank you in advance for your consideration.

Hi Justin -

Please find attached an invitation for Mr. Pruitt to join us as our special guest at an ATR Policy Roundtable Dinner in 2017. We will work around your schedule selecting a date – any time this year that works for you.

Please also find a copy of an information sheet attached.

The dinner will be held at ATR's downtown office from 6:30-8:30pm on an evening of your choosing. The evening begins with a 30 minute cocktail reception followed by a 1 hour dinner. We conclude with very brief, informal remarks.

The entire event is off the record. Attendees include government relations representatives from the trade association community and some of the largest companies in America. All dinner guests are supporters of ATR.

Please let me know if you have any questions. Also, if there is someone else I should be working with on this I'd appreciate an introduction.

Thank you!

All the best,
Megan

ATR Policy Dinner Information Sheet

Location:

The dinner will be held at ATR's downtown office, located at 722 12th Street, NW (12th Street between G and H).

There is street parking, valet parking across the street at the Marriott Metro Center or a parking garage in the alley next to the office. We are also located across the street from the 12th and G exit of Metro Center.

Format:

The evening begins with a 30 minute cocktail reception.

Dinner consists of 3-20 minute courses during which Grover Norquist, the Special Guest and a policy staffer for the Special Guest rotate among 3 tables for each course. The idea is for every guest attending the dinner to get a chance to sit with the Special Guest. This is the most important part of the evening and all courses are perfectly timed to ensure no table is slighted.

After dinner, Grover Norquist will thank the Special Guest for joining us, ask if they would like to make any brief, informal remarks or take any questions. The remarks are completely optional and the content usually consists of a timely issue or a subject that was discussed at one of the tables.

The entire event lasts about two hours and everything is off the record.

Attendees:

Attendees include government relations representatives from the trade association community and some of the largest companies in America. All dinner guests are supporters of ATR.

An attendee list with affiliations will be provided in the days preceding the dinner.

Attachments: External Meeting Request Form.docx

Hi Jim,

I just wanted to send you a quick email and introduce myself. I know you worked prior with Sydney and Michelle in our office, but they have now returned to Oklahoma. I have your original request, but was hoping you would fill out the attached form. This just has everything we need to get the ball rolling on our end.

Appreciate the help, and please let me know if you need anything!

Best,
Maddy

Hi Maddy,

Checking in to see if you have any more clarity on a date for Administrator Pruitt to visit our new HQ in Plano?

Received! I'm trying to figure out some dates. Right now looking at august 10th. We are planning a big august swing. So still confirming dates.

Sorry for the lack of response!

Hi Maddy,

I suspect that you are very busy and this is on the "to do" list, but I did want to check to be certain my response was received. I have a fear of being spammed!

Maddy,

Yes, we would very much like to host Administrator Pruitt at our new HQ in Plano. It's an impressive facility, in terms of size and environmental sustainability. Ideally, Administrator Pruitt would tour the facility and also meet with members of our senior management. To get the ball rolling, would you like to propose some dates that work

for the Administrator, and then I can compare it with the schedule of our senior management? Or would you rather give me a target month, and I come back to you with some proposed dates? Whatever works best for you. BTW, the Plano HQ is about 45 minutes from the Dallas/Fort Worth airport, which has a good number of flights daily. While it's a long day, I have made the trip up and back on the same day.

Looking forward to working with you to make this happen.
Stephen

Hi Mr. Ciccone,

I'm Administrator Pruitt's executive scheduler over here at the EPA. Administrator Pruitt told me that you invited him down to Dallas to tour the new facility. I just wanted to follow up on the invite- and hopefully get the ball rolling so we could get him down to Texas in the near future.

Please let me know if you have any more details or what the next best steps would be to proceed.

Appreciate your help.

Best,
Maddy

Maddy,

I have some Toyota executives holding their calendars open for August 10 to host Administrator Pruitt. I'm not going to be able to keep the calendars held much longer. Can we finalize the date and time? We would very much like to host him. It's less than two weeks from now, so I'll need a time to be sure we can be proper hosts! Thanks.
Stephen
